## Professional accreditation

USQ is registered with the [Project Management Institute \(PMI\)](#)® as a Global Registered Education Provider (R.E.P.). A study of project management at USQ earns professional development units towards certification with PMI including towards the Project Management Professional (PMP)®.

PMI, PMP and Project Management Professional (PMP) are registered marks of the Project Management Institute, Inc.

## Program aims

The USQ Master of Business Administration International provides students with skills and knowledge related to management, people, markets and finance in an international business arena. Graduates will be able to solve complex international organisational problems and be able to manage change through the mastery of particular skills related to creativity, information literacy, and self-reflection. The program focuses on applied leadership and the management of diversity in international business contexts using appropriate professional and ethical frameworks. The USQ Master of Business Administration International prepares graduates to work in traditional, virtual and emerging work environments by developing mastery in oral and written communication relevant to international business contexts.

## Program objectives

The Master of Business Administration International graduate should be able to:

- (1) apply knowledge of the management of people, systems and markets in an international business context
- (2) work independently and collaboratively to solve complex organisational problems using relevant data, theory and analytical skills
- (3) communicate clearly and concisely in various formats to a range of audiences
- (4) use creativity and judgement to plan and implement solutions to complex organisational problems in international contexts
- (5) construct solutions to complex managerial problems that are consistent with responsible and ethical global professional standards.

## Australian Qualifications Framework

The Australian Qualifications Framework (AQF) is a single national, comprehensive system of qualifications offered by higher education institutions (including universities), vocational education and training institutions and secondary schools. Each AQF qualification has a set of descriptors which define the type and complexity of knowledge, skills and application of knowledge and skills that a graduate who has been awarded that qualification has attained, and the typical volume of learning associated with that qualification type.

This program is at AQF Qualification Level 09. Graduates at this level will have specialised knowledge and skills for research, and/or professional practice and/or further learning.

The full set of levels criteria and qualification type descriptors can be found by visiting [www.aqf.edu.au](http://www.aqf.edu.au).

## Admission requirements

To be eligible for admission, applicants must satisfy the following requirements:

- Completion of an Australian university Bachelor degree in any area and a minimum of one year professional work experience in business, or equivalent.
- English Language Proficiency requirements for Category 3.

For candidates who do not have a Bachelor degree, but have five years' professional work experience in the area of business equivalent to a Bachelor degree at AQF level 7, USQ's [Graduate Certificate of Business](#) provides an articulation pathway into the Master of Business Administration International. Upon completion and achievement of a minimum GPA of 4.0, they will be eligible for entry into the Master of Business Administration International.

All students are required to satisfy the applicable [English language requirements](#).

If students do not meet the English language requirements they may apply to study a University-approved [English language program](#). On successful completion of the English language program, students may be admitted to an award program.

## Program fees

### Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. Students are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#) provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for [FEE-Help](#).

### International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. Students are able to calculate the fees for a particular course via the [Course Fee Finder](#).

### Program structure

The Master of Business Administration International consists of 16 courses, each of one unit, and has the following structure:

- core (12 courses) - 4 foundation core courses, 4 non-foundation core courses and 4 foundation international business courses
- 4 discipline specialisation courses including a capstone course [MGT8002 Strategic Management](#) OR general specialisation including three courses\* from any specialisation and [MGT8002 Strategic Management](#)

\* with the permission of the Faculty of Business, Education, Law and Arts.

Students will normally be expected to complete the four foundation core courses before progressing to other courses.
