Program aims

The Master of Business is an advanced academic program for graduates of any discipline or for students with extensive relevant business experience. This program aims to develop generic business skills and to extend those in a specialised area.

Program objectives

Upon completion of the Master of Business, students will be able to:

- demonstrate underlying knowledge of the theoretical structure underpinning their chosen area of specialisation
- apply those theoretical principles in business
- apply a range of management skills relevant to their specialisation.

Admission requirements

To be eligible for admission, applicants must satisfy the following requirements:

Admission to the Master of Business degree will be available to graduates with an approved bachelor degree as deemed sufficient and appropriate on application.

Candidates who do not have a degree may be permitted to enrol in the , provided that they have a minimum of three years' full-time equivalent work experience, which includes relevant experience as deemed sufficient and appropriate on application. Upon completion and achievement of a minimum GPA of 4.0, they will be eligible to articulate into the Master of Business.

All students are required to satisfy the applicable [English language requirements](#).

If students do not meet the English language requirements they may apply to study a University-approved [English language program](#). On successful completion of the English language program, students may be admitted to an award program.

Program fees

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. Students are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#) provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for [FEE-Help](#).

International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. Students are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Program structure

The program is comprised of 12 units. A student must complete one specialisation (which will appear on their testamur).

Note: It is assumed that students, when selecting 8000 level courses, have a basic knowledge in these areas (either from their undergraduate degree or from relevant work experience)

Specialisations

Note: Not all specialisations are offered in on-campus mode. Where a specialisation is offered on-campus, it may not be offered in that mode at all campuses.

Accounting and Sustainable Business

No new enrolments will be accepted in this specialisation.

Students must study 4 foundation, 4 core and 4 elective courses. The elective courses must include at least two 8000 courses.

Course	Semester of offer Distance/Online	Semester of offer Toowoomba campus	Semester of offer Springfield campus
Foundation courses — select 4 of the following courses:

MGT8040 Entrepreneurship, Innovation and Creativity	2		
MKT5000 Marketing Management	2, 3	2	2
or any other course approved by the Faculty of Business, Education, Law and Arts.			

Other Courses

Students wishing to complete a project as part of the program must first obtain permission from the Faculty of Business, Education, Law and Arts before enrolling in [BUS8101 Business Project A](#) or [BUS8102 Business Project B](#). Enrolment in the project courses is contingent upon the availability of a suitable supervisor.

Required time limits

Students have a maximum of 6 years to complete this program.

IT requirements

For information technology requirements please refer to the [minimum computing standards](#).

Other program requirements

Students must maintain good standing in this program. Please refer to the [Academic Standing, Progression and Exclusion Procedure](#).

Articulation

It is possible for students who do not meet standard admission requirements to articulate into the Master of Business from the . Upon completion and achievement of a minimum GPA of 4.0, they will be eligible to articulate into the Master of Business.

Students who wish to articulate to the higher award must lodge an application for entry to the relevant program.

Exit points

A student who chooses not to complete or who does not maintain good standing in this program will be permitted to exit with a lesser qualification as set out below, provided that they have met the requirements of that program.

- A student who successfully completes 8 Master of Business units may, upon application, exit with a Postgraduate Diploma of Business. A student who has successfully completed all the requirements of at least one specialisation may have one specialisation shown on their testamur.
- A student who successfully completes all requirements for the may, upon application, exit with that qualification. A student who has successfully completed all the requirements of a 4-unit specialisation may have that specialisation shown on their testamur.

Credit

Candidates for admission to the Master of Business may be eligible for a maximum of six units of credit. With the approval of the Faculty of Business, Education, Law and Arts, credit may include up to four units of credit, to be granted on the basis of prior successful completion of relevant undergraduate study, where a student is studying a specialisation in the same or similar discipline as their undergraduate study.

Credit granted for equivalent postgraduate study from a recognised university or institution must meet the following specific requirements:

- the course passed was taken at least at Masters or equivalent level
- the course was passed within five years prior to the application (courses up to 10 years old may be considered if evidence is provided that the applicant has been employed in that field) and
- the course passed is equivalent in objectives, content and weightings to a course prescribed in the Master of Business course, or alternatively, the course is suitable as an elective.

Applicants for enrolment in the Master of Business (Property) who are graduates of the [Property Council Academy](#) Diploma in Property Development can gain an additional credit if they have completed the relevant assessment requirements. Full details can be obtained from the Faculty of Business, Education, Law and Arts.

Claims for credit should be submitted prior to or at the time of enrolment in a course. Each claim will be assessed on individual merit in line with USQ policy. Credit approved in this program will not automatically

apply to other programs offered by USQ. Please contact the Faculty of Business, Education, Law and Arts for further information.

Note: Where credit is granted, maximum and minimum duration will be adjusted in the same proportion as credit, for example, where six units of credit is granted, maximum time will be three years and minimum duration will be two semesters.

Accounting and Sustainable Business recommended enrolment pattern

Students are able to enrol in any offered mode of a course (on-campus, external or online), regardless of the program mode of study they enrolled in.

No new enrolments will be accepted in this specialisation.

Students must study 4 foundation, 4 core and 4 elective courses. The elective courses must include at least two 8000 courses
