### Program aims

Students will acquire the ability to research independently, apply theory and develop academic expertise in their chosen fields. The program will extend students' appreciation of the cultural contributions offered by the creative arts to local and regional communities in Australia. The program accommodates supervisory focus across discipline specialisations including: Film, Television & Radio, Music, Theatre, Visual Arts, and Creative Arts and Community Wellbeing.

The program aims to produce graduates who:

- Possess advanced knowledge and skills specific to their focus discipline or individual creative practice
- Can research independently, apply theory and develop academic expertise in their chosen fields
- Are well positioned to contribute to ongoing cultural growth and knowledge through engagement with the arts in local and regional communities throughout Australia
- Think critically, creatively and ethically with cultural awareness when identifying and solving problems
- Are responsible and accountable for their ongoing learning, both independently and in collaboration with others, within a range of professional contexts.

### Program objectives

On successful completion of the program, students should be able to:

- Use broad and coherent body of knowledge, with depth in the underlying principles and concepts in one or more disciplines as a basis for independent lifelong learning
- Independently evaluate and apply methods, concepts, techniques and theories in the design and realisation of creative arts projects in a broad range of professional contexts

- Display an advanced level of initiative and appraisal in planning and implementing professional practical outcomes and/or scholarship
- Utilise advanced cognitive and creative skills to conduct focused research by identifying and solving problems with intellectual independence
- Exercise effective communication skills to present clear, coherent and innovative exposition of knowledge and ideas using an appropriate range of modes and techniques.

## Australian Qualifications Framework

The Australian Qualifications Framework (AQF) is a single national, comprehensive system of qualifications offered by higher education institutions (including universities), vocational education and training institutions and secondary schools. Each AQF qualification has a set of descriptors which define the type and complexity of knowledge, skills and application of knowledge and skills that a graduate who has been awarded that qualification has attained, and the typical volume of learning associated with that qualification type.

This program is at AQF Qualification Level 08. Graduates at this level will have advanced knowledge and skills for professional or highly skilled work and/or further learning.

The full set of levels criteria and qualification type descriptors can be found by visiting [www.aqf.edu.au](http://www.aqf.edu.au).

[SCA4001 Honours Dissertation 2](#)

### IT requirements

All students wishing to take advantage of online (Internet-based) systems and services provided by the University should be aware that USQ makes recommendations about the type of hardware and software best suited to match our systems. Compliance with these recommendations will ensure students receive the computing help needed if experiencing problems.

Students studying on-campus or externally should ensure they have access to a computer that meets these [minimum standards](#). Compliance with these recommendations will ensure students receive the computing help needed if experiencing problems.

USQ has a number of hardware and software agreements with suppliers that may result in various benefits being passed onto University staff, students and alumni when they purchase privately.

For some students the financial cost of purchasing computing equipment may be a barrier to studying with USQ. In view of this, the University provides the following assistance:

- Computer laboratories at the Toowoomba, and Springfield campuses which are available for student use.
- Scholarships and financial support in the form of financial assistance that may help cover study costs such as computer equipment.

For further advice on IT requirements, please visit [AskUSQ](#)

## Credit

According to University policy, no credit can be given for study in an 8 unit degree program.

## Honours

The level of honours awarded will be determined based on the USQ procedure. Please refer to the [Class of Honours Standard Schedule](#).
