Professional accreditation

Graduates of this program will meet the educational entrance requirements of [CPA Australia](#) and [Chartered Accountants Australia and New Zealand \(CAANZ\)](#). This provides Associate membership of CPA Australia, eligibility to study the CPA Australia professional exams and eligibility to study the CAANZ professional exams.

Program aims

This program aims to provide students with specific knowledge and skills relevant to the accounting discipline and satisfy the educational entrance requirements for membership of relevant Australian accounting professional bodies. The program also aims to equip students with the knowledge and skills to meet the needs of organisations to strategically manage and report their environmental and social impacts on the community. In addition, the program aims to provide students with the necessary broad-based administrative and management skills required by organisations to compete in the global economic environment.

Program objectives

At the completion of the program, students should exhibit the following graduate qualities:

- Discipline expertise - demonstrate strong communication skills to transfer their knowledge from program studies to the workplace; acquire specific knowledge and skills relevant to the accounting discipline
- Professional practice - identify, analyse and solve problems in different decision contexts; satisfy the educational entrance requirement of the relevant Australian accounting professional bodies
- Global citizenship - understand and apply the broad-based administrative and management skills required by organisations to compete in the global economic environment
- Scholarship - demonstrate an understanding of the principles of accounting, finance, economics and business law; think constructively and logically

- Lifelong learning - make effective and creative use of modern technologies; understand and apply the broad-based administrative and management skills required by organisations to compete on an ongoing basis in the global economic environment
- Awareness of sustainability issues - assist organisations to strategically and ethically manage and report their environmental and social impacts on the community.

Admission requirements

To be eligible for admission, applicants must satisfy the following requirements:

- Year 12 English [4,SA] or equivalent.
- Current skills at the level of Queensland Senior Secondary School Studies Maths A (4,SA) or equivalent is assumed.
- Admission to the Bachelor of Accounting and Sustainable Business is in accordance with [University's Admissions Policy](#) for undergraduate programs.

All students are required to satisfy the applicable [English language requirements](#).

If students do not meet the English language requirements they may apply to study a University-approved [English language program](#). On successful completion of the English language program, students may be admitted to an award program.

Program fees

Commonwealth supported place

A Commonwealth supported place is where the Australian Government makes a contribution towards the cost of a students' higher education and students pay a [student contribution amount](#), which varies depending on the courses undertaken. Students are able to calculate the fees for a particular course via the [Course Fee Schedules](#).

Commonwealth Supported students may be eligible to defer their fees through a Government loan called [HECS-HELP](#).

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. Students are able to calculate the fees for a particular course via the [Course Fee Schedule](#)

Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#) provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for [FEE-Help](#).

International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. Students are able to calculate the fees for a particular course via the [Course Fee Schedules](#).

Program structure

The Bachelor of Accounting and Sustainable Business is comprised of 32 single-unit courses as follows:

Courses	Units
Core business courses	8 units
Accounting major courses	8 units
Sustainable Business major courses	8 units

Business Administration courses	8 units
Total	32 units

Program completion requirements

To be eligible to graduate with the award Bachelor of Accounting and Sustainable Business, students must have successfully completed the core business courses, Accounting major courses, Sustainable Business major courses, and Business Administration courses (32 courses in total).

Required time limits

Students have a maximum of 9 years to complete this program.

Core courses

All students are required to complete all the following core courses. The purpose of these courses is to expose business students to fundamental concepts and methods and the diversity of subject matter that they will encounter in their studies. The functional areas of business are identified and elementary tools leading to a focus in the major areas of Accounting, Sustainable Business, and Business Administration.

Courses	Semester/mode of offer Toowoomba campus	Semester/mode of offer Springfield campus

Consult the Handbook on the Web at <http://www.usq.edu.au/handbook/current> for any updates that may occur during the year.
(DISCONTINUED) Bachelor of Accounting and Sustainable Business (BASB) - BAccSustBus (2022)

~ **PWE3000 Professional Work Experience** is not available to international students regardless of location or mode of study as it is an elective course. Australian regulations do not allow an elective work-based training course that is not a mandatory program requirement to be offered to international students.
