## Professional accreditation

The Information Systems specialisation in the Graduate Diploma of Business is accredited by the [Australian Computer Society](#).

## Program aims

The Graduate Diploma of Business gives students the opportunity to enhance their career prospects by obtaining knowledge in a specialist field. Students may choose between the fields of accounting or information systems.

Graduates will have an in-depth understanding of relevant academic disciplines and possess knowledge and skills in problem resolution that will enable them to work effectively in their chosen area of specialisation.

## Program objectives

The objectives of the Graduate Diploma of Business are to enable graduates to:

- acquire specific knowledge and skills in accounting or information systems which are relevant to their disciplines
- become better problem-solvers and innovative thinkers, who are able to learn new skills independently and efficiently, and consequently to succeed in a competitive professional environment
- identify information needs appropriate to their area of specialisation, and apply the techniques required to gather and interpret such information
- understand the ethics of their profession and the need for a commitment to that profession.

## Admission requirements

To be eligible for admission, applicants must satisfy the following requirements:

Requirements for the Graduate Diploma of Business:

### **Accounting specialisation option 1:**

Applicants must have successfully completed an accredited post year 12 qualification equivalent to at least two years' full-time study provided that such qualification is deemed sufficient and appropriate on application.

### **Accounting specialisation option 2:**

Applicants must have completed a minimum of at least five years' relevant work experience.

Applicants with overseas academic qualifications in accounting should contact either of the following professional bodies for an assessment of their qualifications (prior to applying for enrolment in the program):

- [CPA Australia](#)
- [Chartered Accountants Australia and New Zealand](#).

### **Information Systems specialisation:**

For admission to the Information Systems specialisation applicants must hold at least a two-year diploma from an Australian or other recognised university, or an approved equivalent qualification, in an area other than computing; and have introductory knowledge of computing consistent with that found in the [CIS1000 Information Systems Concepts](#) course.

All students are required to satisfy the applicable [English language requirements](#).

If students do not meet the English language requirements they may apply to study a University-approved [English language program](#). On successful completion of the English language program, students may be admitted to an award program.

## **Program fees**

### **Domestic full fee paying place**

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. Students are able to calculate the fees for a particular course via the [Course Fee Schedule](#)

Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#) provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for [FEE-Help](#).

### **International full fee paying place**

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. Students are able to calculate the fees for a particular course via the [Course Fee Schedules](#).

## **Program structure**

The program consists of 8 courses each of one unit and students must complete either the Accounting specialisation or the Information Systems specialisation.

## **Required time limits**

Students have a maximum of 4 years to complete the program.

## IT requirements

For information technology requirements please refer to the [minimum computing standards](#).

## Other program requirements

Students must maintain good standing in this program. Please refer to the [Academic Standing, Progression and Exclusion Procedure](#).

## Exit points

A student who chooses not to complete or who does not maintain good standing in this program may be permitted to exit with a [Graduate Certificate in Business](#) provided that they have successfully completed 4 units.

## **Credit**

Candidates for the Graduate Diploma of Business may be eligible for up to four units of credit on the basis of completed equivalent undergraduate and/or postgraduate study from a recognised university.

Credit approved in the program may not automatically apply to other programs offered by USQ.

**Note** Where credit is granted, maximum and minimum duration will be adjusted in the same proportion as the credit, e.g. where the maximum of 50 percent credit is granted, maximum and minimum duration will be reduced by one-half.

## **Recommended enrolment pattern**

Students are able to enrol in any offered mode of a course (on-campus, external or online), regardless of the program mode of study they enrolled in.

Please refer to the Program Structure for course details.
