Program aims

The focus of this program is to provide a high-level, vocation-oriented program for students who already have a business degree. The graduate will have sufficient theoretical and empirical understanding to enable them to identify and resolve business challenges in their professions.

Program objectives

On successful completion of the Master of Management program, students will be able to:

- demonstrate an understanding of the basic theories and skills of a contemporary management discipline area
- display competence in areas relevant to management practice at senior levels
- apply their knowledge of current behavioural, policy and strategic issues in order to improve organisational efficiency
- use written communication skills to interact effectively with other people at superior or lower work levels
- analyse developments in a chosen area of management and critically evaluate relationships between such developments and contemporary theory and practice
- further enhance their managerial skills through a commitment to ongoing managerial development
- specialise in a particular discipline to enhance their career prospects.

Admission requirements

To be eligible for admission, applicants must satisfy the following requirements:

- a tertiary, Business qualification at degree or equivalent level from a recognised institution as deemed sufficient and appropriate on application
- 2 years' full-time work experience as deemed sufficient and appropriate on application.

Candidates who do not have a degree will be permitted to enrol in the only, provided that they have a minimum of five years full-time equivalent work experience, which includes relevant experience as deemed sufficient

and appropriate on application. Upon completion and achievement of a minimum GPA of 4.0, they will be eligible to articulate into the Master of Management.

All students are required to satisfy the applicable [English language requirements](#).

If students do not meet the English language requirements they may apply to study a University-approved [English language program](#). On successful completion of the English language program, students may be admitted to an award program.

Program fees

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. Students are able to calculate the fees for a particular course via the [Course Fee Schedule](#)

Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#) provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for [FEE-Help](#).

International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. Students are able to calculate the fees for a particular course via the [Course Fee Schedules](#).

Program structure

Students are required to successfully complete 12 single-unit courses of study as follows:

- a minimum of 8 courses chosen from courses listed in the Master of Management program
- a maximum of 4 other management or management-related courses in the Master of Business Administration program or other management or management-related course offered by USQ, subject to enrolment requirements, approved by the Faculty of Business, Education, Law and Arts.

If a student wishes to have a specialisation noted on their testamur, they must complete the requirements of that specialisation or where no specific requirements are defined, a minimum of 4 courses from that specialisation.

Note: Depending upon the relationship between a candidate's undergraduate degree and Discipline Specialisation, the Faculty of Business, Education, Law and Arts may require the candidate to enrol in one or more of the courses listed as Other Studies.
