The information contained in this Handbook is valid as at the date mentioned below. The University of Southern Queensland reserves the right not to offer any program or course and to decline the enrolment of students in a program or course, in the light of student demand and resource constraints. Program structures, course objectives and content are subject to amendment as circumstances dictate.

The most up-to-date version of the USQ Handbook is the electronic version at <http://www.usq.edu.au/handbook/current/>. Any printed version or other saved electronic version will be up to date at the time of printing or saving but may not contain the most recent information. Please always refer to the Internet address provided.

This version produced 20 May 2022.

Residential schools give students studying externally the opportunity to attend campus for face-to-face lectures and tutorials, use the facilities and meet our staff and other students. Further information is available [here](#) and in the [Policy and Procedure Library](#).

The attendance requirement is indicated by the following letters: R = Recommended; HR = Highly Recommended; M = Mandatory.
