Footnotes:
- PWE3000 Professional Work Experience is not available to international students regardless of location or mode of study as it is an elective course. Australian regulations do not allow an elective work-based training course that is not a mandatory program requirement to be offered to international students.
- Jointly badged course USQ/City University of Seattle (CityU), USA - students can enrol directly with the CityU to undertake this course in years not offered at USQ. If a course is undertaken directly with the CityU rather than USQ it will not be covered under the Australian Higher Education Contribution Scheme (HECS) or international USQ course fee scheme. As such, the full costs of direct course enrolment with CityU will be the sole responsibility of individual students choosing this option.

Recommended enrolment pattern - Springfield and Toowoomba external (semester 2 even-numbered years commencement)

Students are able to enrol in any offered mode of a course (on-campus, external or online), regardless of the program mode of study they enrolled in.
