Specialisation objectives

The Bachelor of Education (Honours) program has two specialisations: Early Childhood and Primary. Although the number and variety of non-school options is increasing for graduates, each specialisation targets preparation for employment in educational settings appropriate to the relevant sector:

- **B Ed (Honours) (Early Childhood)**
The target settings include Child Care Centres, Kindergartens, Pre-Schools and Years Prep-3 in Primary Schools.
- **B Ed (Honours) (Primary)**
The major target setting is Years Prep-7 in Schools.

Electives/Approved courses

Students in the primary specialisation are able to study three (3) discipline courses.

Students who wish to have a particular focus in their discipline studies, may do so by selecting a number of related discipline courses. Alternatively, students may simply choose any combination of unrelated courses from the full range of discipline courses available from time to time.

Discipline Course may be selected from suitable courses available from a number of sources, including:

- The education undergraduate Discipline Course suite (see below)
- Courses from other Bachelor of Education specialisations (excluding any courses with embedded practical experience)

For further information and guidance, students should refer to [discipline courses](#), and [Education specific majors](#) for advice.

Footnotes

* This course is offered in even-numbered years.

Professional experience

The Bachelor of Education (Honours) program complies with all requirements of the Queensland College of Teachers in terms of the minimum number of supervised days mandated (80) and the total number of days of professional experience overall (100).

All students, domestic and international, must complete the majority of supervised professional experience in Australian Primary and/or Secondary school settings.

The professional experience components of the program are all tied to identified courses within each specialisation, so that students undertake a professional experience placement in a minimum of six of their eight semesters of full-time enrolment

Professional experience is an integral and embedded professional component of an academic course of study. It is a requirement to pass the professional experience in order to pass the course.

The school or educational site will agree to host a pre-service educator, under the supervision of a suitable mentor.

In order to undertake courses to which professional experience placements are attached at any stage in the program it is a requirement that students will have satisfactorily completed all professional experience courses in previous years in the program enrolment pattern. In the case of [EDC4000 Preparing for the Profession](#) there is the additional requirement that students undertaking the placement in a Queensland school will need to have been granted an Internship Authorisation by the Queensland College of Teachers.

A liaison staff member is appointed for every student and host school/site for every placement, with the critical role of being the key source of information, advice and support for all parties involved in the placement.

See [Professional Experience forms](#) for further information.

IT requirements

Students must have reliable and ready access to email and the Internet. Broadband would be a significant advantage. See [minimum computing standards](#)

Other program requirements

In order to undertake the professional experience, and certain other activities with young people identified in various course specifications, it is required that Queensland-based students hold a current positive notice indicating that they are deemed suitable for working with children and young people. Further information about the Blue Card or Exemption Card suitability process is available from the [Blue Card Services](#).

In order to complete the Bachelor of Education (Honours), a student must complete 32 units of study, according to each specialisation's pattern of required courses (core, shared, specialisation and honours), plus discipline courses in the primary specialisation.

Professional experience

All students, domestic and international, must complete the majority of supervised professional experience in Australian Primary and/or Secondary school settings.

Language Proficiency

All students, domestic and international, must demonstrate English language proficiency equivalent to IELTS 7.0 to successfully complete program requirements.

Exit points

The Bachelor of Education (Honours) contains provision for three generic exit awards, as follows:

- Bachelor of General Education Studies (BGES) - available at the completion of 24 approved units
- Associate Degree in Education Studies (DAES) - available at the completion of 16 approved units
- Diploma of Education Studies (DPES) - available at the completion of 8 approved units

Credit

Students may seek credit from units on the basis of documented prior study at University level or equivalent qualifications and experience. Such applications will be considered on their merits in relation to the extent to which the documentation supplied by the student demonstrates a clear match with the objectives of the course for which the credit is sought. In relation to this general provision, the Early Childhood specialisation has particular circumstances that also apply:

- **B Ed (Honours) (Early Childhood)**
Students who have completed the Diploma or Advanced Diploma of Community Services (Children's Services) or approved equivalent with a Registered Training Organisation may be eligible for up to 8 and 12 units of credit respectively.

Honours

The minimum levels of achievement normally required for each class of honours are shown in the table below. To be assured of achieving a particular class of honours students must have achieved the specified grade in EDO4351 Supervised project and EDO4352 *and* the minimum GPA requirements for all of the courses studied, *or* for the last 16 courses studied, *or* for the last eight courses studied.

Class of Honours	GPA calculated from the grades achieved in:			Minimum grade achieved in EDO4351 and EDO4352
	All units studied in the program	The last 16 units studied	The last eight units studied	
First Class Honours	6.0	6.2	6.5	A
Second Class Honours — Division A	5.5	5.7	5.9	B
Second Class Honours — Division B	5.0	5.1	5.3	C
Minimum number of units required	20	16	8	

The class of honours to be awarded to a student is dependent upon:

- the Grade Point Average calculated from the grades achieved in the courses studied in, or transferred to, the program
- the grade achieved in the two courses EDO4351 Supervised project and EDO4352 .
Honours students must complete EDO4675 and EDO4351 Supervised project in the year or semester prior to completing EDO4352 (2 units).

B Ed (Honours) (Early Childhood) - recommended enrolment pattern

Students are able to enrol in any offered mode of a course (on-campus, external or online), regardless of the program mode of study they enrolled in.

Students should not deviate from this pattern without first contacting the Faculty of Business, Education, Law and Arts.

Students following a non-standard enrolment pattern should consult the [course specifications](#) to ascertain if a course is offered in another semester.

Note: minimum enrolment numbers apply to all courses. Should enrolments not meet the minimum number required, students may be transferred to a different mode or offering and advised of this change prior to semester start.

Note: the Early Childhood specialisation is available at Springfield and Toowoomba campuses.
