Program aims

The Bachelor of General Studies aims to equip students with the skills to synthesise information across knowledge domains and develop academic capabilities such as searching, comprehending and evaluating information from a range of sources. The program provides the foundation for self-directed and lifelong learning as well as proficiencies in self-management and interpersonal skills across a range of contexts, preparing students for further study or new study direction.

Program objectives

On completion of this program students should be able to:

- (1) gain a foundation knowledge and apply key competencies in academic writing, mathematics, digital literacies, and study skills
- (2) articulate ideas and concepts across a range of knowledge domains
- (3) apply creative, critical and analytical skills to solve problems in diverse contexts
- (4) communicate with academic clarity and coherence in written and oral forms

(5) apply ethical decision-making in diverse applications.

Australian Qualifications Framework

The Australian Qualifications Framework (AQF) is a single national, comprehensive system of qualifications offered by higher education institutions (including universities), vocational education and training institutions and secondary schools. Each AQF qualification has a set of descriptors which define the type and complexity of knowledge, skills and application of knowledge and skills that a graduate who has been awarded that qualification has attained, and the typical volume of learning associated with that qualification type.

This program is at AQF Qualification Level 07. Graduates at this level will have broad and coherent knowledge and skills for professional work and/or further learning.

The full set of levels criteria and qualification type descriptors can be found by visiting www.aqf.edu.au.

Program Information Set

View USQ's admission criteria, student profiles and a summary of all offers made under [Course Admission Information Set](#) via the QTAC website.

Admission requirements

To be eligible for admission, applicants must satisfy the following requirements:

- Have achieved a minimum Overall Position (OP) **18**, tertiary entrance rank **64** or equivalent qualification.[^]
- Subject Pre-requisite: English (4, SA) or equivalent.
- English Language Proficiency requirements for Category 2.

Some majors or disciplines may require further pre-requisites.

Non-standard admission is in accordance with University of Southern Queensland regulations, especially articulation from TAFE, or successful completion of three approved units of the [Tertiary Preparation Program](#).

All students are required to satisfy the applicable [English language requirements](#).

If students do not meet the English language requirements they may apply to study a University-approved [English language program](#). On successful completion of the English language program, students may be admitted to an award program.

[^] These are determined by the University for specific programs each Semester. The 2019 OP and tertiary entrance ranks are based on agreed QTAC schedules which assess formal study at Year 12 or [equivalent level](#), tertiary, preparatory, professional or vocational qualifications or work experience, as detailed in the QTAC Assessment of Qualifications Manual and QTAC Assessor Guidelines.

Special admissions may help you get into the program of your choice by increasing your Selection Rank. The additional points don't apply to all applicants or all programs. Please read the information about USQ's [Special Admissions](#) carefully to find out what you may be eligible for.

Program fees

Commonwealth supported place

A Commonwealth supported place is where the Australian Government makes a contribution towards the cost of a students' higher education and students pay a [student contribution amount](#), which varies depending on the courses undertaken. Students are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Commonwealth Supported students may be eligible to defer their fees through a Government loan called [HECS-HELP](#).

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. Students are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#) provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for [FEE-Help](#).

International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. Students are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Program structure

The Bachelor of General Studies provides students with the ability to choose their own study pathways from across the University, subject to meeting any pre-requisite requirements and with the approval of the Program Coordinator. This program does not have named majors that will appear on the student testamurs at completion of the program.

Students must complete 24 units:

- 4 core units
- 20 elective units
 - (1) Students cannot do more than 12 Level 1 units
 - (2) Students must complete at least four (4) Level 3 courses.

Students can choose courses from across the University based on meeting the pre-requisite requirements and the study plan being approved by the Program Coordinator.

Students who wish to use the program as a pathway to other studies must also consult with the Program Coordinator of the program they wish to articulate into, to ensure the courses chosen provide a suitable pathway.

Students are required to complete 24 units as follows:

Area of study	Number of units
<p>Core courses[^]</p> <p>There are four compulsory level 1 courses:</p> <ul style="list-style-type: none"> • DIP1000 E-Literacy for Contemporary Society • DIP1001 Academic and Professional English • DIP1002 Strategies for Successful Study • DIP1003 Essential Mathematics or DIP1004 Mathematical Literacy 	4 units
<ul style="list-style-type: none"> • The remaining 20 units can be taken from all levels, but students cannot take more than eight (8) extra level 1 courses (in addition to the core courses above, to bring the maximum number of permissible level 1 courses to 12). • Students must take at least four (4) level 3 courses. 	20 units*
<p>Students must consult the Program Coordinator in planning their course selections to gain approval for their study plan or changes to their approved study plan.</p>
