Program aims

This is a generalist program aimed at equipping students with foundation understanding of how organisations operate in different environmental contexts, private, and public. It exposes students to a range of issues and challenges faced by business as it strives to make organisations successful, sustainable and responsible stakeholders in society.

Program objectives

On the successful completion of the Diploma of Business Administration graduates will be able to:

- demonstrate foundation knowledge of the general business concepts, processes and principles relevant to the functioning of various types of organisations
- demonstrate effective communication, interpersonal skills, and foundation knowledge of the relevant principles in making decisions in a business environment
- demonstrate an understanding of the importance of high ethical standards and socially responsible organisational practices and processes.
