Admission requirements
To be eligible for admission, applicants must satisfy the following requirements:

There is no minimum educational entrance standard. All applicants should be at least 17 years of age when they start a course.

Students without an IELTS score are given the USQ Placement Test before starting classes to determine which level of English is suitable for them.
Students at Levels 1 and 2 are required to provide evidence of their English Language Proficiency on an internationally recognised test of English prior to arrival. On arrival students will then be tested using the USQ placement test to determine allocation to either Levels 1 or 2. Students with an IELTS score below IELTS 3.0 will not be accepted to the USQ ELICOS program. Students commencing at Level 1 will need a minimum of 70 weeks (50 weeks ELICOS followed by 20 weeks of English Language) to proceed to degree studies at USQ.

An international application form must be completed and returned to the International Office before commencing a course.
