

LEARNING AND TEACHING PERFORMANCE FUND (LTPF) PROJECTS – AWARDED SEPT 2009

Dr Birgit Loch (Faculty of Sciences), Christine McDonald (Faculty of Sciences), Associate Professor Lorelle Burton, (Faculty of Sciences) David King (Division of Academic Information Services), Dr Shirley Reushle (Australian Digital Futures Institute), Chris White, Brian Kissell (Division of ICT Services), \$11,940, Pen-based input devices for lecture theatres to provide similar learning experiences for all students

Geoff Wilson (Faculty of Sciences), Patricia Bourke (Faculty of Sciences), Bridget Birrell (Faculty of Sciences), Cathy Russell (Faculty of Sciences), Lynette Forrest (Faculty of Sciences), \$9504, Simulation for Clinical Reasoning: Equipping Students with Skills for Clinical Success

Coralie Graham, Associate Professor Cheryl Perrin (Faculty of Sciences), \$9996, The Excellence in Cultural Experiential Learning and Leadership Program: A case study with Bachelor of Nursing Clinical Students

Ron Pauley, Dr Karen Noble (Faculty of Education), Dr Henk Huijser (Learning and Teaching Support Unit), Lindy Kimmins (Learning and Teaching Support Unit), Jennifer Bundy (Learning and Teaching Support Unit), Dr Todd Hartle (Learning and Teaching Support Unit), \$4605, APA (Education) Online.

Dr Birgit Loch (Faculty of Sciences and Division of ICT Services), Associate Professor Peter Albion (Faculty of Education), Dr Karen Noble (Faculty of Education) Team members: Dr Jerry Maroulis (Faculty of Education), Petrea Redmond (Faculty of Education), Associate Professor Romina Jamieson-Proctor (Faculty of Education), Dr Jill Lawrence (Faculty of Arts), Dr Michael de Raadt (Faculty of Sciences), Dr Joseph Mula (Faculty of Business), Lyn Brodie (Faculty of Engineering and Surveying) Dr Peter Phillips (Faculty of Business), Dr Shirley Reushle (Australian Digital Futures Institute), Dr Jacquie McDonald (Learning and Teaching Support Unit), Rachael Millett (Human Resources), Dr Henk Huijser (Learning and Teaching Support Unit), Jennifer Bundy (Learning and Teaching Support Unit), Ron Pauley (Division of Academic Information Services), \$50000, Enhancing learning and teaching through a cascading approach to sharing knowledge and experience for flexible application of technology in support of learning

Dr Ian Weber (Learning and Teaching Support Unit), Dave Roberts (Faculty of Business), Professor Chris Lee (Faculty of Arts), Adrian Stagg (Division of Academic Information Services), Dr Peter Evans (Learning and Teaching Support Unit), Lindy Kimmins (Learning and Teaching Support Unit). \$48222, Postgraduate Learning Support NOW: interactive Online Workshops

Miss Toni Brackin (Faculty of Business), Professor Mike Robertson (Faculty of Business), Dr Peter Gibbings (Faculty of Engineering and Surveying), \$10000, Faculty of Engineering and Surveying approach to articulating graduate attributes and industry standards in the new Law programs and the Spatial Science programs.

Lyn Brodie (Faculty of Engineering and Surveying), \$28459, Professional Development and support resources for new and part time (including sessional) staff : an introduction to PBL, virtual teams and facilitated learning.

Linda Galligan (Faculty of Sciences), Dr Birgit Loch (Faculty of Sciences), Christine McDonald (Faculty of Sciences), Taryn Swan (Faculty of Sciences), Dr Andrew Wandel (Faculty of Engineering and Surveying), Robyn Pigozzo (Open Access College), Anita Frederiks (Learning and Teaching Support Unit). Mentors: Lyn Brodie (Faculty of Engineering Surveying), Dr Ian Weber (Learning and Teaching Support Unit), David Bull (Open Access College), Associate Professor Lorelle Burton (Faculty of Sciences), \$48125, Scaffolding distance learning in mathematics and statistics

Dr Peter Gibbings (Faculty of Engineering and Surveying), Associate Professor Lorelle Burton (Faculty of Sciences), Dr Karen Noble (Faculty of Education) , \$50000, Developing and Deploying Remote Accessible Laboratories to Promote Student Learning: A Cross-faculty Collaboration

Dr Jacquie McDonald (Learning and Teaching Support Unit), USQ Community of Practice Convenors. \$47543, Growing the culture of quality teaching and scholarship developed through communities of practice at USQ

Bronwyn Bartsch (Student Management Division), Kirsty Jeffrey (Student Management Division), Dr Ian Weber (Learning and Teaching Support Unit) , \$38588, Fostering Learning and Teaching at Partner Locations: A Pilot Project to Improve the Professional Development of Partner Staff

Dr Megan Kek (Learning and Teaching Support Unit), Dr Michael Sankey (Learning and Teaching Support Unit), Colleen Wilson (Learning and Teaching Support Unit), Dr Henk Huijser (Learning and Teaching Support Unit), Sandra Carswell (Sustainable Business Management and Improvement), Shane Klease (Sustainable Business Management and Improvement), \$9940, Learning and Teaching Indicator Quest

Eleanor Kiernan (Faculty of Arts), Dr Sara Hammer (Learning and Teaching Support Unit), Dr Jill Lawrence (Faculty of Arts), \$4912, Supporting staff assessment practice and enhancing student experiences of assessment in first year within the Faculty of Arts.

Angela Teys (Faculty of Sciences), Lyn Benson (Faculty of Sciences), Joy Ford (Faculty of Sciences), Mark Wilkins (Faculty of Sciences), \$9737, Realistic 'Skin and Wound Development' for use in Undergraduate Nursing Practice Settings

USQ Physics Group: Dr Brad Carter, Joanna Turner, Carolyn Brown, Dr Rhodes Hart, Oliver Kinder, Kim Larsen, Associate Professor Alfio Parisi, Ian Waite, Jenny Spence (Faculty of Sciences), \$9100, *Development of an online solar energy experiment setup to actively engage students in the learning of physical sciences*

Associate Professor Yin Li (Faculty of Sciences), David Lai (Faculty of Sciences), Associate Professor Associate Professor Lorelle Burton (Faculty of Sciences), Brian Kissell (Division of ICT Services), Dr Peng Wen (Faculty of Engineering and Surveying), Dr Alexander Kist (Faculty of Engineering and Surveying), Professor Mark Toleman (Faculty of Business), \$50000, *Remote access to USQ Cisco Networking Laboratory for BIT and related students*

Dr Ian Weber (Learning and Teaching Support Unit), Andrea Brosnan (Student Management Division), Nicola Shine (Student Management Division), Robyn Tweedale (Division of Academic Information Services), Faculty representatives to be nominated, \$50025, *Ready, Steady, Go: Orientation for NEW USQ Students*

Dr Mark Lynch (Faculty of Sciences), \$7667, *Developing Flexible Experimental Kits to Enhance Student Learning Experiences for Chemistry Practicals*
