ECF3100 Professional Experience Placement Guidelines

University of Southern Queensland

The expectations of the program vary for each year and placement. This section provides details of preservice teacher activity required during the Professional Experience placement scheduled for the year and aligns these expectations with the Australian Professional Standards for Graduate Teachers.

Professional Experience context: Third Year, 15 Day, Birth-2-year-old, Early Childhood setting placement

Luring the placement, preservice teachers will demonstrate an ability to plan, enact and evaluate play-based learning experiences using diverse strategies and resources. A Situational Analysis of the early childhood setting will allow the preservice teacher to get to know and more deeply understand the early childhood service. Information about the local community and families, the setting, program demonstrates children's learning and development is to be prepared over the duration of the professional experience. These are to be used for later reflection and preparation for subsequent professional The focus of this placement is upon observing, facilitating and engaging in meaningful interactions to provide rich and stimulating learning environments for individuals and groups of children. This aim of the professional experience is to provide the opportunity for preservice teachers to develop an understanding of working with infant to 2-year old children through a curriculum approach of play, care and philosophy, relevant policies and procedures, centre routines and planning expectations for their intentional teaching and the children will be included. A collection of information and documentation that experiences

Required experiences:

Throughout this Professional Experience placement, it is expected that the preservice teacher will have daily experience in the following areas (unless otherwise stated). Literacy and numeracy standards as well as professional ethics and conduct as required by the profession are an inherent requirement of this Professional Experience placement.

| Timing in | | - | | | | Required experiences | | المراقبة الدراق | | |
|-------------|--|--|---|--|---|--|---|--|---|---|
| Experience | Orientating | Observing and documenting | Working | Attending | Reflecting | Protessional learning conversations | Planning/ Learning Experiences | Collecting PE artifacts in a folder | Teaching | Portfolio Resource Development |
| | osile, room and sociocultural environment. Preservice teachers to bring printed copies of Placement report guidelines Placement report - Program PE Table - Course assessment requirements | play experiences room organisation supervising teacher's learning and teaching practices data collection decision making based on evidence 2 children daily using a variety of observation techniques. Develop formal observations by induding analysis and learning possibilities | with all children as guided by supervising teacher: Individually Small group Whole group | meetings as required by your supervising teacher's roster and site requirements | on observations, on your planning and teaching and assessing through daily self-reflection records. | discuss insights, queries and concerns from your daily reflections with your Spervising Teacher Supervising University Liaison | Learning Experiences and resources in negotiation with supervising teacher Share with your supervising teacher a min. of 24 hours of 24 hours in advance of implementation. | Preservice teacher's documentation in a folder. Observations, reflections, feedback, learning plans, resources | preservice teacher will attend for the full school day and participate in the normal routine of the room and early childhood service. This placement begins with observing the supervising teacher, followed by the preservice teacher implementing the supervising teacher's plans—and then implementing preservice teacher's own plans with supervising teacher sown plans with supervising teacher guidance | Resources include: • Age-appropriate resource and examples of teaching strategies - Transition practices: finger rhymes, songs etc. • Practices to support diverse children and families - Ideas and strategies to support the development of children's social competence, positive behaviour etc. • Programming and planning examples, or Communication and collaboration examples with colleagues focused on data collection, documentation, making judgements and feedback - Internal and external professional learning activities |
| Day 1 – 5 | ` | 2 children daily Develop 4 observations | ` | ` | ` | ` | > | ` | Observe modelled teaching | Course Assessment Conduct situational analysis, data gathering and interpretation through ecological famework.(see ECF3100 Portfolio Item 1) Identify overall areas of strength and improvement in collaboration with supervising teacher Share completed plan of design or re-design with supervising teacher and seek feedback (see ECF3100 Portfolio Item 2) |
| Day 6 – 10 | > | 2 children daily Develop 4 observations | ` | , | > | > | > | > | 3 learning experiences for individual children or small groups | Implement design or re-design plan, collecting evidence of implementation. |
| Day 11 – 15 | > | 2 children daily Develop 4 observations | ` | ` | > | > | > | > | Increased responsibility from 3 learning experiences to half day to full day | Reflect on implementation and document reflection (to include in Portfolio item 3) |

ECF3100 Professional Experience Final Report

This document is for reference use only. You will receive the online final report 3 days prior to the end of placement, this report is to be completed at the end of the supervised placement.

The purpose of this report is to measure the standard that has been achieved by the preservice teacher in relation to the APSTs graduate level relevant for the learning for the year and professional experience course that this Professional Experience placement relates.

| USQ programs and courses | Number of days | Year Level/ Course |
|--|----------------|---|
| Bachelor of Early Childhood Bachelor of Education Early Childhood | 15 | ECF3100 Contemporary Approaches to Infant and Toddler Curriculum and Pedagogy |

| ASSESSMENT SCORES | EVIDENCE FOR THE APST DESCRIPTORS |
|--------------------------------|---|
| D | Developing skills and knowledge |
| Α | Achieving skills and knowledge |
| E | Exceeding skills and knowledge |
| Please use the expectations of | f skills and knowledge as a criterion to inform decision making |

| Planning effectively - preparation for teaching | APST | D | Α | Е |
|---|---------------|-------|------|-------|
| Demonstrate and seek an understanding of children's characteristics (familial, cultural, religious, social) through observation, discussion and reflection. | APST 1.1 | | | |
| Demonstrate knowledge of teaching strategies that are responsive to the diverse backgrounds of all children including their family (Example: discuss and identify teaching strategies that have been modelled by the early childhood educator). | APST 1.3 | | | |
| Demonstrate knowledge of strategies that are responsive to all children's learning and development needs (Example: discuss, identify and record strategies that have been modelled by the early childhood educator e.g. Child A needs to go to bed at 11:30am). | APST 1.5 | | | |
| Organise the content of the learning experiences into a logical sequence. | APST 2.2 | | | |
| Uses curriculum and focused observation to design learning experience. | APST 2.3 | | | |
| Demonstrate a knowledge of literacy and numeracy teaching strategies within play- based learning experiences (Example: identify strategies within learning experience plan e.g. using finger rhymes) | APST 2.5 | | | |
| Please provide comments about knowledge, practice and engagement of this section. | of pre-servio | ce te | ache | er ir |
